Name: _____ Phone: _____

Street: _____ E-mail: _____

City, State, Zip: _____

NOTE: Please use an email address you check frequently. Our primary communication is via email.

All UACNJ Observers must be members of a club associated with UACNJ.

UACNJ presents an astronomy program to the public each Saturday in April through October from 8 to 10 PM. Special programs for scout groups, etc. are presented on other nights and the observatory opens for special astronomical events such as meteor showers. A 45-60 minute lecture is presented **rain or shine** followed by observing with the club telescopes when the weather permits.

UACNJ Observers, are required to help out during at least **four** of these public presentations as well as at least one special event. A minimum of four team members (including at least one Team Leader) should arrive by **7:00 PM** on the nights assigned. Training sessions will be provided for all Observers. The final duty night assignments will be posted on the UACNJ mailing list. Observers must also help to maintain a secure and clean observatory facility.

Please indicate which team you would like to work with based on the schedule below.

First Choice: _____ Second Choice: _____ Third Choice: _____
