NOTE: Please use an email address you check frequently. Our primary communication is via E-Mail.

All UACNJ Observers must be members of a club associated with UACNJ.

UACNJ presents an astronomy program to the public each Saturday in April through October from 8 to 10 PM. A 45-60 minute lecture is presented rain or shine followed by observing with the club telescopes when the weather permits.

As a UACNJ Observer, you will help out during some of these public presentations. A minimum of four team members (including at least one Team Leader) should arrive at 7:30 PM on the nights assigned. Your Team Leaders will notify you which of your team's nights (*minimum of three*) you need to attend. Training sessions will be provided for all Observers. The final duty night assignments will be posted on the UACNJ mailing list. Please indicate which team you would like to work with based on the schedule below.
